Disclosure for Performance Data

“AlphaSector” is a service marks of F-Squared Investments, Inc. This material is proprietary and may not be reproduced, transferred or distributed in any form without prior written permission from Active Index Solutions, LLC or F-Squared Investments, Inc. Active Index Solutions and F-Squared Investments reserve the right at any time and without notice to change, amend, or cease publication of the information. This material has been prepared solely for informative purposes. The information contained herein has been obtained from sources that we believe to be reliable, but its accuracy and completeness are not guaranteed. It is made available on an "as is" basis without warranty.

Investment products that may be based on AlphaSector Indexes are not sponsored by Active Index Solutions, LLC, and neither F-Squared Investments, Inc. nor Active Index Solutions, LLC makes any representation regarding the advisability of investing in them. Inclusion of a mutual fund or an exchange traded fund in an index does not in any way reflect an opinion of Active Index Solutions or F-Squared Investments regarding the investment merits of such a fund. None of the mutual funds or exchange traded funds included in an index have given any real or implied endorsement or support to Active Index Solutions or to this index. One cannot invest directly in an index.

The Indexes are based on active strategies, with the strategy that the AlphaSector Rotation Index and the AlphaSector Premium Index are based on having an inception date of April 1, 2001. The process of converting the active strategy to an index implies that the returns presented, while not backtested, reflect theoretical performance an investor would have obtained had it invested in the manner shown and does not represent returns that an investor actually attained, as investors cannot invest directly in an index. Theoretical and hypothetical performance has many inherent limitations. The performance is adjusted to reflect the reinvestment of dividends. The fee schedule and anticipated expenses are included in the client agreement. F-Squared’s fees are available upon request and also may be found in Part II of its Form ADV. Past performance is no guarantee of future results.

The information presented is based upon the performance of an Index as reported by PSN Informa, NASDAQ OMX, or Active Index Solutions, LLC. The information is adjusted to reflect the reinvestment of dividends and, except where indicated, all returns are presented gross of fees. No representation or warranty is made as to the reasonableness of the assumptions made or that all assumptions used in achieving the returns have been stated or fully considered. Changes in the assumptions may have a material impact on the hypothetical returns presented.

AlphaSector Rotation Index is the exclusive property of F-Squared Investments, Inc. and Active Index Solutions, LLC. Active Index Solutions, LLC has contracted with The NASDAQ OMX Group, Inc. (collectively, with its subsidiaries and affiliates, “NASDAQ OMX”) to calculate and maintain the AlphaSector Rotation Index. NASDAQ OMX shall have no liability for any errors or omissions in calculating the AlphaSector Rotation Index.

Returns represent past performance, and are not guarantees of future results or indicative of any specific investment. Past performance is no guarantee of future results.
